

Welcome to Aidvantage!

We're pleased to be your new student loan servicer.

If your student loans recently transferred from Fedloan Servicing to Aidvantage, please note that you may not see your repayment plan or monthly payment amount when you login to your online account.

We are working diligently to complete your loan transfer and load the final details to your account soon. Your loan information will finish loading prior to your first billing statement.

No action is required at this time – we'll notify you with any updates.
